We excited to be hosting our annual Winter Challenge Celebration event at Owl's Nest Resort in 2024 and your sponsorship makes outdoor sports and recreation happen! The statement you make by sponsoring the Winter Challenge reaches far beyond this event. Your contribution directly impacts the student-athletes we serve and their families by showing them how to profoundly enhance their lives by participating in recreation such as skiing, snowboarding, snowshoeing, golfing, cycling, kayaking, and mountain biking. This year we expanded our summer offerings to include pickleball!

New England Disabled Sports is a non-profit 501c3 organization with a 35-year track record of success. We are constantly improving our programs and expanding our reach with the help of sponsors like you! We are more than 200+ volunteers strong with a passion for what we do. Historically we've been delivering 3000+ lessons to 600 students each year. We could not do it without our amazing volunteers and our generous sponsors. Take pride in knowing that your contribution or sponsorship has a profound impact on the lives of thousands of people.

Thank you.
